PRODUCT SPECIFICATION

FLEETWOOD

74031 PLANTER/BENCH

A magnificent modular system of Benches and Planters, of different heights and shapes (square and rhombus) that can be combined with each other, creating resting areas and green spaces that are only limited by ones imagination. The range boasts three beautiful and practical cladding options all of which are suitable both indoors and outdoors.

PRODUCT FEATURES

- Modular design with infinite configurations
- Galvanised steel body
- Powdercoat finish, Anthracite Grey (RAL7016)
- Height adjustable and articulated feet
- Drainage holes on the base
- Suitable for interior and exterior use
- 2 year manufacturer's warranty
- 4 week delivery (from approval/payment)

ADDITIONAL OPTIONS

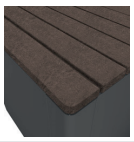
- Available in different shapes, sizes and heights
- A choice of cladding materials to create benches
- Additional treatment for extreme weather conditions
- Additional treatment for extreme saline (coastal) areas
- Alternative finishes (minimum order of 25 units)

INSTALLATION GUIDELINES

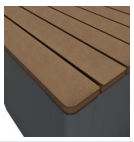
(These are guidelines only and do not replace advice from qualified professionals)

- Free-standing - Leave in place weighted to ground.
- Bolt down – Use epoxy-fixed M12 (or similar) zinc plated anchor bolts on a flats surface e.g. a concrete pad. [Remove top cladding to access interior and fix to ground].

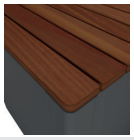
CLADDING MATERIALS



RecyPlast
(recycled plastic)



WPC
(wood composite)



Tropical Wood

Articulated Feet

MODULAR COMPONENTS
