INSTALLATION GUIDELINES

Foundation & installation guidelines do not replace advice from qualified professionals.

***FREE STANDING** - Leave in place weighted to ground.

***BOLT DOWN - SURFACE FIX**

1) Excavate to given foundation dimensions (see data tables).
2) Fill with C40 grade concrete and level off, allowing sufficient space below ground to backfill (step 5) and leave to set.
3) Position the base plates as required on the concrete pad.
4) Base plates fixed to pad with M12 zinc plated anchor bolts.
5) Backfill to finished ground level with required materials.

PROJECT EXAMPLES

HERTFORD - The Bowls Club
