PRODUCT SPECIFICATION

METTRO 102

BENCH 64102

Whether you want to showcase a stunning sculpture or highlight a beautiful tree, our Mettro 102 series of circular benches are the perfect way to make the most of your space with comfortable seating while adding to the overall charm of the grounds.

Choose from a range of materials, finishes, and sizes to find the perfect fit for your outdoor setting.

Should the arrangement call for internal accessibility then simply leave a section out allowing for convenient entry and exit points, ensuring hassle free access for everyone.

- Arm rests & tables

INSTALLATION GUIDELINES

Foundation & installation guidelines do not replace advice from qualified professionals.

*BOLT DOWN - SURFACE FIX

1) Excavate to given foundation dimensions (see data tables).
2) Fill with C40 grade concrete and level off, allowing sufficient space below ground to backfill (step 5) and leave to set.
3) Position the base plates as required on the concrete pad.
4) Base plates fixed to pad with M12 zinc plated anchor bolts.
5) Backfill to finished ground level with required materials.
