

# PRODUCT SPECIFICATION

## METTRO 150 CHUNKY BENCH 64150

The Metro 150 bench is a fresh take on the classic Metro to give it extra width and depth.

It's available as a bench and also backed to create a seat, and a stylish option is to extend the bench beyond the back width to create extra gathering space - or just somewhere to put your stuff!

### PRODUCT FEATURES

- Frame typically manufactured in galvanised steel
- Powdercoated to the desired RAL colour
- Iroko timber slats
- 1 year manufacturer's warranty
- 4 week delivery (from approval/payment)
- Length from 1200mm - 3000mm.

### ADDITIONAL OPTIONS

- Alternative material e.g. Aluminium or stainless steel
- Alternative timber e.g. Accoya
- Option for plaques & engraving
- With or without backrest
- Arm rests & tables

### INSTALLATION GUIDELINES

#### BOLT DOWN - SURFACE FIX

*Foundation & installation guidelines do not replace advice from qualified professionals.*

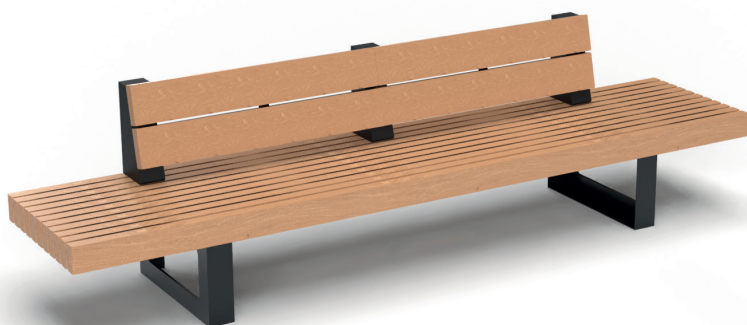

- 1) Excavate to given foundation dimensions (see data tables).
- 2) Fill with C40 grade concrete and level off, allowing sufficient space below ground to backfill (step 5) and leave to set.
- 3) Position the base plates as required on the concrete pad.
- 4) Base plates fixed to pad with M12 zinc plated anchor bolts.
- 5) Backfill to finished ground level with required materials.

### STANDARD FRAME COLOUR OPTIONS

|                                                                                     |                                                                                      |                                                                                       |                                                                                       |                                                                                       |
